In the video below, we walk you through creating a simple 50-question multi-question test answer sheet in Microsoft Word®. Word is a very flexible and easy-to-use solution to create forms for OMR Office Comments. We offer several fonts to help with the creation of the form, including OMR Bubbles, OMR Checkboxes, OMR Squares and Code 3 of 9 Barcode. These fonts are automatically installed in the Windows font catalog when you install OMR Remark Office, or you can download them manually here. For your bubble response, you can also use Capital O in the Arial font, at the recommended size of 10-14. We always recommend using Tables in Word whenever possible, as it makes it easier to set up the form for intervals and add/delete items in the future. We offer various examples of forms that are available for download on our sample form page. The files available for download are Word document, PDF files, and demos (including the OMR Remark Office template and completed scanned images). These mold designs can give you a great foundation for creating your own shapes. Please note: When creating forms to use with Remark Office OMR, make sure to follow our form of design best practices and take advantage of our free service review forms from our exclusive support team.
